

Mentor Program

Beyond the classroom, learning opportunities are boundless.
This premier program offers two courses for college bound students.

Mentor Seminar

Grade: 11, 12

Prerequisite: Application and Mentor Program Coordinator Approval

Length: One Period, One Trimester Fall, Winter or Spring*

Credits: 1*

* EVHS and SES students – see registration guide for further information.

Mentor Seminar is a college and career prep course which gives you the advantage over your peers needed to prepare for your future. Students will identify personal interests and skills to guide them while exploring college options and researching career opportunities. Students will develop professional skills, including interviewing, networking and interpersonal communication. The opportunity to meet with a professional in your chosen career field brings the real world to the classroom. Students are strongly encouraged to enroll in Mentor Field Experience to complete the Mentor Program. Students may also take Mentor Seminar as a stand-alone course.

Students successfully completing Mentor Seminar may be able to earn Advanced Standing Credit from a local post-secondary institution. Students should contact the course instructor for more information regarding articulated credits and participating post-secondary institutions.

Mentor Field Experience

Grade: 11, 12

Prerequisite: Mentor Seminar and Mentor Program Coordinator Approval

Length: Two Periods, One Trimester Fall, Winter, Spring*

Credits: 2*

* EVHS and SES students – see registration guide for further information.

Mentorship in the workplace with a career professional is a blueprint for high performance. This course is experience-based. Leave the classroom behind as you enter into the professional's world to gain exposure in the career field of your choice. In addition to a weekly class session with instructors and peers, you will be released from school to work with your career professional and learn first-hand what your career is all about. You will select and design an individual project under the guidance of your mentor and instructor. This course targets advanced level learners and requires a high level of student independence and responsibility. **Students must provide their own transportation to their mentor site.**
